

YEAR 2 IN TERM 3

Welcome back for Term 3!
This term we look forward to celebrating Book Week, meeting a real-life author and participating in a Silly Scientist Incursion.

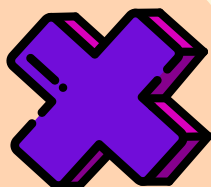

YEAR 2 TEAM

BREE, GURVINDER, HAYLEY, MICHAELA & SARAH

MATHS

This term we will be learning about measurement (mass, capacity, length and duration) and the connection between addition and multiplication. Classes will continue to participate in Daily Maths Chats that revise concepts covered and analyse data collections.

SCIENCE

CHEMICAL SCIENCE

Students will investigate physical changes of materials and the effect of different actions including bending, twisting, stretching and breaking into smaller pieces.

ENGLISH

PHONICS, SPELLING, READING & MORPHOLOGY

This term we will be utilising resources created by the Department for Education's Literacy Guarantee Unit. We will be working closely with our coach, Sarah Walters to present phonics lessons that follow a scope and sequence and format that support The Science of Reading.

WRITING & GRAMMAR

Children will examine the structure and features of information reports and explanation texts.

We will explore technological changes of the past to the present. Students will also learn about the significance of Sir Douglas Mawson and his connection to Mawson Lakes.

Blue Zone	Green Zone	Yellow Zone	Red Zone
Sad Bored Tired Sick	Happy Focused Calm Proud	Worried Frustrated Silly Excited	Overjoyed/Elated Panicked Angry Terrified

HEALTH

We will continue Zones of Regulation and wellbeing lessons to strengthen skills in regulating emotions and supporting students to be in the optimal zone for learning. Child Protection Curriculum lessons will consolidate the students understanding of their right to be safe as well as having knowledge of safe and unsafe situations and risk taking.

SPECIALIST LESSONS

Please see the PE, Japanese and Arts overviews provided by the specialist teachers.

Dates & reminders

Please see the school calendar on the school website for all special events happening this term.

Mawson Lakes School's primary method of communication is the Audiri app. Notifications and reminders of school events are sent regularly via the app.
